

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
DEPARTMENT OF EDUCATIONAL & STAFF DEVELOPMENT	
Dennis Sale	Conducted five runs of Making Teaching More Interesting workshops for Institute of Technical Education
Eric Wei	Course Lecturer in Postgraduate Diploma in e-Commerce and Marketing
Michael Tham	Video recording and video post production of the First Asia Pacific Corporate Social Responsibility Seminar Series and Social Venture Network Asia Conference
Stanley Soo	Video recording and video post production of the First Asia Pacific Corporate Social Responsibility Seminar Series and Social Venture Network Asia Conference
DEPARTMENT OF LANGUAGE & COMMUNICATION	
Yukiko Foong	Conducted a Japanese Conversation Course for sales staff of Nuance Watson (Singapore) Pte Ltd
Constance Lee	Developed and conducted a course on Basic Workplace Writing for National Council of Social Service Officers
	Developed and conducted a course on Writing Reports and Proposals for National Council of Social Service Managers and Executives
	Developed and conducted a course on Basic Public Speaking Skills for Ministry of Manpower's Singapore Learning Festival
	Developed and conducted a course on Use of Grammar for Corporate Writing for Ministry of Manpower's Singapore Learning Festival
	Designed, produced materials and delivered course on Effective Writing Skills for Workforce Development Agency Executives
	Developed and conducted a writing course for Strategic Planning Unit, Singapore Polytechnic
DEPARTMENT OF MATHEMATICS & SCIENCE	
Lai Woh Chiong	Conducted Certificate in Basic Surveying Course for Singapore Institute of Valuers and Surveyors
Lim How Kim	Conducted Certificate in Basic Surveying Course for Singapore Institute of Valuers and Surveyors
Tan Ping Kong	Tutor and lecturer for Foundation Certificate in Biomedical Science (Mathematics and Physics), Management Development Institute of Singapore
DEPARTMENT OF STUDENT & ALUMNI AFFAIRS	
Sng Chye Ann	Provided consultancy and training in Adventure Packed Experimental (APEX) programmes for government bodies, statutory boards and the private sector
SCHOOL OF BUSINESS	
A Alamelu	Submitted Consultation Paper on Electronic Contracts and Computer Crimes for The Chartered Institute of Logistics and Transport, Singapore
Bernard Boey Mun Cheang	Coordinator and training consultant for short course Certificate in Small Business Management in collaboration with Ministry of Defence
Christopher Cheong Boon Leong	Submitted Consultation Paper on Research Incentive Scheme to Singapore Exchange
	Wrote a review for launch of new book entitled Joseph Cycle for Straits Times
	Conducted interview on New Share Trades Reporting Format for Business Times
	Conducted interview on New Procedure of Reviewing Disclosure Document for Straits Times

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF BUSINESS (CONT'D)	
Chew Suan Chin	<p>Coordinator for executive programmes and B23 courses, including Financial Training (three runs) and Management Training (one run) for Singapore Technologies College Pte Ltd</p> <p>Coordinator for Singapore Polytechnic - Singapore Technologies Executive Programmes</p> <p>Sourced and serviced the Grace Haven Salvation Army, Canossaville Children's Home, National Heritage Board, and Apex Home for the Elderly</p>
Susan Chiam-Lee Siew Hoon	Seminar speaker in Retail Awareness Series Talks for Raffles International Ltd and Wing Tai Group of Companies
Chin Kin Yong	<p>Consultant on Graduate Employment Survey to Singapore Polytechnic</p> <p>Academic visitor at Australian National University under the Faculty of Economics and Commerce's International Professional Development Programme</p> <p>Consultant on adaptation of instructor's manual, item test file and transparency masters from Marketing Management 11th Edition to Marketing Management: An Asian Perspective Third Edition to Pearson Education Asia</p> <p>Referee for Asian Case Research Journal to review case study submitted for publication</p>
Conrad De Souza	Examiner and lecturer for the Certificate in Employment Agencies in Contract Law, Employment Act and Workmen Compensation Act
Janet Fok Poh Har	Seminar Speaker for the seventh run of Financial Planning for You – a jointly conducted seminar with the Insolvency and Public Trustee's Office
John Foo Kok Soon	<p>Coordinator and training consultant for short course Certificate in Small Business Management in collaboration with Ministry of Defence</p> <p>External Examiner for Diploma in Management Studies Part-time (Business Finance), Singapore Institute of Management</p> <p>CaseTrust Assessor</p>
Dora Ho Yin Leng	Conducted member satisfaction survey and survey of new annex for Temasek Club
Audrey Lai Mei Wan	Seminar speaker in Retail Awareness Series Talks for Raffles City, Parco Bugis Junction and G2000
Lee Chong Hwa	<p>Training Consultant for short course Certificate in Small Business Management in collaboration with Ministry of Defence</p> <p>Seminar speaker at the Knowledge Management Seminar organised by Singapore Polytechnic</p>
Roger Lee	Training Consultant for short course Certificate in Small Business Management in collaboration with Ministry of Defence
Lee-Tan Lin	Conducted eighth run of Accounting module of the Certificate of Small Business Management Course for Singapore Armed Forces
Wenda Leong	CaseTrust Assessor
Pansy Tan	Coordinator of Module A for the Certificate for Employment Agencies and lectured on Business Organisations and Enforcement, Ministry of Manpower Certificate for Employment Agencies
Patricia Yap	Conducted Retail Awareness Series of talks for Raffles International Ltd, the Wing Tai Group of Companies and the Economic Development Board
Sheila Phua Siew Hoon	Sourced and serviced the Asian Women's Welfare Association, National Heritage Board and Mercy Relief
Sim Kian Ho	<p>Chief Examiner for Business Statistics, Raffles Academy</p> <p>Consultant on Employment Survey to Singapore Polytechnic</p> <p>Consultant on Five-Year Tracer Study to Singapore Polytechnic</p> <p>Lecturer for Diploma in Business Studies Course in Business Statistics for Singapore Institute of Management</p> <p>Lecturer for Diploma in Sales and Marketing Course in Marketing Statistics for Marketing Institute of Singapore</p>

Name	Brief Description of Consultancy
SCHOOL OF BUSINESS (CONT'D)	
Tai Fatt Weng	Consultant on Five-Year Tracer Study to Singapore Polytechnic External Examiner for Diploma in Management Studies (Business Information Systems) for Singapore Institute of Management
David Tan Kok Seng	Conducted talks for the Financial Planning for You seminars jointly organised with the Insolvency and Public Trustee's Office Speaker for the Financial Planning for You Seminar, jointly organised with the Insolvency and Public Trustee's Office
Alice Tang Kiat Peng	Consultant for Singapore Kindness Movement
Angie Tang-Ng Mee Har	Conducted a series of Retail Awareness Talks to the staff of G2000 Apparel (S) Pte Ltd and the tenants of Raffles City Shopping Centre Contributed comments on retail issues to The Straits Times and 93.8FM Supervised eight groups of students to improve the sales, display and merchandise of eight push-carts in Rivervale Plaza, Sengkang as part of client-based project for Retail Promotion Centre
Lindsay Thang Lee Leng	Project Consultant for Visual Merchandising Students to Bukit Panjang Plaza Shopping Centre, One.99Shop and KidsMall CaseTrust Assessor
Victor Joe	Lecturer for Diploma in Sales and Marketing in Marketing Communications for Marketing Institute of Singapore Consultant on Five-Year Tracer Study to Singapore Polytechnic Consultant on Graduate Employment Survey 2004 to Singapore Polytechnic Consultant on Research Study to Singapore Kindness Movement on Retail Survey Consultant on Research Study to Singapore Kindness Movement on Kindness in the Home
Wong Mei Shan	Coordinator for the seventh run of Financial Planning for You – a jointly conducted seminar with the Insolvency and Public Trustee's Office
Christine Ying	Coordinator for two runs of the Singapore Polytechnic–Ministry of Manpower Certificate for Employment Agencies Course Lecturer for Management units, Module B, Certificate for Employment Agencies Course
SCHOOL OF CHEMICAL & LIFE SCIENCES	
Angus Fraser	Conducted course on Certificate of Performance in Theory and Practice of Phlebotomy Coordinated course on Certificate of Performance in Haematology
Aw Cheong Soon	Provided consultancy service to Singapore Food Delight Manufacturer Pte Ltd
Chan Ching Yee	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Stephanie F Chan	Consultant to Wei Yang Cosmetics International Pte Ltd
Dr Cheng Zuolian	Conducted training course for Ministry of Environment and Ministry of Manpower Consultant work on micro-contaminant analysis to Microclean (S) Pte Ltd Consultant work on waste recycling to PT Cimanggis Sakti and PT Indo Lysaght, Indonesia
Dr Chiam Cheow Ling	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Vivien Chiang	Consultancy on Vision Care for Johnson and Johnson
Chidambaram s/o Ramachellappa	Collaborated on Esterification of Recycled Cooking Oil to Produce Biodiesel Conducted Certificate of Competence in Sewerage and Wastewater Treatment course for industry
Foo Toon Tien	Conducted Biological Lab Safety Course for Ministry of Education Conducted Biological Lab Technique Course for Ministry of Education

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF CHEMICAL & LIFE SCIENCES (CONT'D)	
Goh Tong Hng	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Ho Sook Hwa	Coordinator for Certificate of Competency in Wastewater and Sewerage Treatment Coordinator for Certificate of Competency in Water Treatment (first run)
Dr Jin Kai	Conducted Biological Lab Safety Course for Ministry of Education Conducted Biological Lab Technique Course for Ministry of Education Production of E.coli lysate and a recombinant protein (GD21) for Genelabs Diagnostics Pte Ltd
Dr Koh Hui Hiang	Consultancy on Vision Care for Johnson and Johnson
Koh Siok Im	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials Conducted Biological Lab Safety Course for Ministry of Education Conducted Biological Lab Technique Course for Ministry of Education
Ku-Chong Lee Fong	Provided consultancy work to Silliker Microtech Pte Ltd
Lam Kok Seng	Conducted cGMP and GDP Courses for industries (in English and Mandarin) Conducted Safe Practices in Food Manufacturing for the Food Industries Conducted short course on Safe Manufacturing Practices – Prerequisites to Hazard Analysis and Critical Control Point (in English and Mandarin) Provided consultancy service to Azko Nobel Chemicals Pte Ltd
Lee Fook Choon	Collaborated on Esterification of Recycled Cooking Oil to Produce Biodiesel
Lek Jia Jia	Conducted National Myopia Prevention Program School Talk Series for Health Promotion Board Consultancy on Vision Care for Johnson and Johnson
Leong-Chia Choo Hia	Conducted short course on Introduction on Perfumery to staff of Handyware (China), Guangzhou Conducted short course on Introduction to Fragrances for Naval Base Secondary School Conducted short course on Preparation of Alkyl Halides for Millenia Institute
Jasmine Leong Woon Ying	Conducted short course on Safe Manufacturing Practices – Prerequisites to Hazard Analysis and Critical Control Point (in English and Mandarin) Conducted tailor-made course on Basic Food Hygiene for Malaysia Dairy Industry Provided consultancy work to Akzo Nobel Chemicals Pte Ltd Provided consultancy work to Cereal Tech Provided consultancy work to Clouet Trading Pte Ltd Provided consultancy work to Denis Freres Pte Ltd Provided consultancy work to Gan Hup Lee Pte Ltd Provided consultancy work to Pack Solutions Pte Ltd
Lim Swee Ling	Conducted tailor-made course on Basic Food Hygiene for Malaysia Dairy Industry Conducted food hygiene course for Singapore Institute of Food Science and Technology in Mandarin Provided consultancy work to Chop Hup Chong Food Pte Ltd Provided consultancy work to Carotech Bhd
Monica Lim	Conducted National Myopia Prevention Program School Talk Series for Health Promotion Board Consultancy on Vision Care for Johnson and Johnson
Narayanan Rajeev	Consultancy on Vision Care for Johnson and Johnson
Christopher Ng Chee Bing	Consultancy on Vision Care for Johnson and Johnson
Dr Ng Kok Chin	Conducted short course on Basic Biosafety (first to third run) Conducted Certificate of Competence in Plant Operation Sewage and Wastewater Control (sixth run)

Name	Brief Description of Consultancy
SCHOOL OF CHEMICAL & LIFE SCIENCES (CONT'D)	
Dr Ng Kok Chin (cont'd)	Conducted Workshop on Sampling and Monitoring of Airborne Contaminants (20th run) for Ministry of Manpower and National Environment Agency
Dr Ng Kok Leong	Conducted Certificate of Competence in Water Treatment Course
Ngan-Loong Mann Na	Conducted short course on The World of Spices for Suriya Trading Enterprises
	Conducted short course on Drying Technologies for Powdered Products for Takasago International (Singapore) Pte Ltd
	Provided consultancy service to Azko Nobel Chemicals Pte Ltd
	Provided consultancy service to Compass Foods
	Provided consultancy service to Purac Asia Pacific Pte Ltd
	Provided consultancy service to Singapore Food Delight Manufacturer Pte Ltd
	Provided consultancy service to Breadtalk Pte Ltd
	Provided consultancy service to DSM Nutritional Products
	Provided consultancy work to CerealTech Pte Ltd
	Provided testing services on carbonated beverages to PSB Corporation
	Wrote papers on Colour Degradation of Acidified Vegetable Juice in the International Journal of Food Science and Technology 2004, Vol 34, pp 437 to 441, and Effects of Sequestrants and Ascorbic Acid on the Quality of Iron-fortified Instant Chocolate in SPGG Journal
	Provided consultancy service to Empire Purchasing Global Pte Ltd
	Provided consultancy service to Connell Bros Co (S) Pte Ltd
Ong Chye Sun	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Ong Lay Choo	Conducted Certificate of Competence in Water Treatment course
Dr Pho Lay Koon	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Gregory Poi	Provided consultancy service to VOPAX (S) Pte Ltd (Penjuru Road Terminal) on Industrial Wastewater Biotreatment
	Provided consultancy service to VOPAX (S) Pte Ltd (Pulau Sabarok) Soil Bioremediation project
Ser-Low Wai Ming	Conducted short course on Safe Manufacturing Practices – Prerequisites to Hazard Analysis Critical Control Point (in English and Mandarin)
	Conducted short course on A Practical Approach to Food Safety Hazard Analysis and Critical Control Point Implementation
	Conducted short course on Safe Manufacturing Practices - Prerequisites to Hazard Analysis and Critical Control Point
	Conducted tailor-made course on Implementation of Hazard Analysis and Critical Control Point System for Agri-Food and Veterinary Authority of Singapore
	Provided consultancy work to Silliker Microtech Pte Ltd
Joshua Sng Choon Kwee	Conducted course on Certificate of Performance in Haematology
	Coordinated course on Certificate of Performance in Theory and Practice of Phlebotomy
Shirlena Soh	Coordinated course on Certificate of Performance in Theory and Practice of Phlebotomy
Dawn Tan	Consultancy on Vision Care for Johnson and Johnson
Tan Hwee Bin	Conducted Certificate of Competence in Water Treatment Course
Tan Soon Ann	Conducted tailor-made course on Basic Food Hygiene for Malaysia Dairy Industry
Dr Wilfred Tang	Consultancy on Vision Care for Johnson and Johnson
Tan-Lee Kwee Choo	Conducted Biological Lab Safety Course for Ministry of Education

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF CHEMICAL & LIFE SCIENCES (CONT'D)	
Dr Tay Hong Soon	Conducted Asian Noodle Technology Course for US Wheat Associates Provided consultancy to AB Enzymes GMBH Provided consultancy to Chop Hup Chong Provided consultancy work to CerealTech Pte Ltd Provided consultancy work to Remy Industry
Tay Kheng Siong	Collaborated on Esterification of Recycled Cooking Oil to Produce Biodiesel
Tay Siong Yeh	Conducted food hygiene course for Singapore Institute of Food Science and Technology in Mandarin
Ting Kok Eng	Conducted Certificate of Competence in Sewage and Wastewater Treatment Course Conducted Certificate of Competence in Water Treatment Course Conducted Electroplating Course
Toh Hui Kheng	Conducted Asian Noodle Technology Course for US Wheat Associates Provided consultancy to AB Enzymes GMBH Provided consultancy work to CerealTech Pte Ltd Provided consultancy to Akzo Nobel Surface Chemistry Pte Ltd
Jessie Tong	Conducted short course on Introduction on Perfumery to staff of Handyware (China), Guangzhou Conducted short course on Introduction to Fragrances for Naval Base Secondary School Conducted short course on Preparation of Alkyl Halides for Millenia Institute
Woo Wee Hong	Conducted course on Certificate of Performance in Theory and Practice of Phlebotomy
Isabel Yee	Conducted Hartford Institute of Management and Central Queensland University Bioscience Laboratory courses and tutorials
Adrian Yeo	Conducted course on Certificate of Performance in Theory and Practice of Phlebotomy
Anna Yeo	Consultancy on Vision Care for Johnson and Johnson
Yang Cheng Woi	Conducted course on Certificate of Performance in Theory and Practice of Phlebotomy
Dr Audrey Yuen	Coordinated and conducted Basic Biosafety Training course for industry Coordinated and conducted Gene Series course for school teachers
SCHOOL OF DESIGN & THE ENVIRONMENT	
Ang-Wong Yoke Chan	Technical Assessor/Expert for Singapore Accreditation Council - Singapore Laboratory Accreditation Scheme - Civil Engineering
Balbir Singh	Trainer for the Property Maintenance and Facilities Management (and Advanced) courses
Chan Kok Wah	Technical Expert for ISO 9000 audit for QMS Certification Scheme for SGS International Certification Services Technical Expert for accreditation assessment for Singapore Accreditation Council Course developer and trainer for Certificate Course for Renovation Works for SMEs for Renovation and Decoration Advisory Centre
Chandrashekhar Hampiholi	Assisted Technical Committee on Construction Industry IT Standards to prepare Code of Practice for CAD Standards - Part 2 - CAD Symbols Conducted course on AutoCAD 2000 for Contracts Management Division, Housing and Development Board Conducted short course on Viz for Visualisation-3D Studio Viz R3i Fundamentals for industry
Richard Chang Yee Chong	Trainer for Property and Facility Management course for Ascendas Land Pte Ltd

Name	Brief Description of Consultancy
SCHOOL OF DESIGN & THE ENVIRONMENT (CONT'D)	
Chow Miew Sek	Trainer for Property and Facilities Management of Industrial, Business and IT Parks Course for Ascendas Land Pte Ltd Conducted short course for Singapore Singapore Combat Engineers
Foo Seng Heng	Mentor for Applied Science Programme, Ministry of Education Trainer for Safety Course for Singapore Combat Engineers Co-ordinator and Trainer for Singapore Living Space Project (Geographic Information Systems for secondary schools), Ministry of Education
Goh Hai Kok	External Assessor for ISO 9000 Certification and Surveillance Audits for Building and Construction Authority Coordinated and conducted Practical Soil Training Course for SETSCO Conducted Refresher Course on Geotechnical and Structural Design for Defence Science and Technology Agency staff Conducted Building Construction and Maintenance Course for Singapore Combat Engineers Trainer for Soil Training Programme for Singapore Combat Engineers
Rose Huang	External Auditor for ISO 9000 Certification and Surveillance Audits for Building and Construction Authority External Auditor for ISO 9000 Certification Audits for Japan Quality Assurance
Koh Soo Seng	Trainer for Building Construction and Maintenance Course for Singapore Combat Engineers
Lee Mee Fah	Trainer for Building Construction Safety Supervisors, Certificate in Occupational Safety and Health and Formwork Safety Supervisor Courses for Ministry of Manpower Trainer for Project Management Course for Singapore Combat Engineers
Lau Chin Ming	Technical Assessor/Expert for Singapore Accreditation Council – Singapore Laboratory Accreditation Scheme - Civil Engineering
Lim Cher Yam	External Assessor for ISO 9000 Certification and Surveillance Audits for Building and Construction Authority External Assessor for ISO 9000 Certification Audits for Japan Quality Assurance
Edmund Lim	Trainer for Building Services Course for Ascendas Land Pte Ltd Conducted short course on Building Technology and Services for Skills Redevelopment Programme - Real Estate Management and Maintenance Industry and Building Services Course for Singapore Combat Engineers
Loo Ching Nong	Trainer for Building Construction Safety Supervisor, Certificate in Occupational Safety and Health and Formwork Safety Supervisor (English and Mandarin) Courses for Ministry of Manpower
M S Islam	Leader for course on Concrete Quality Assurance – The Quality of Raw Materials, jointly organised by the Singapore Concrete Institute and Ready-Mix Concrete Association of Singapore Leader for course on Assessment and Repair of Concrete Structures, jointly organised by the Singapore Concrete Institute and Singapore Polytechnic
Nashatar Singh	Coordinator and Developer of Geotechnical Laboratory Testing Course for Singapore Combat Engineers Trainer for refresher course on Geotechnical Engineering for Public Utilities Board Developer and trainer for short course on Structural Engineering – Low Rise Buildings & Retaining Walls for Defence Science and Technology Agency
Ng Khee Yang	External Auditor (Operations) for RDC Holdings Pte Ltd's SPRING Singapore (Standards, Productivity and Innovation Board) Industry Productivity Fund Development Project Technical Assessor/Expert for Singapore Accreditation Council - Singapore Laboratory Accreditation Scheme - Environmental Testing Field Local Project Supervisor for Sheffield Hallam University (United Kingdom) PhD candidate

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF DESIGN & THE ENVIRONMENT (CONT'D)	
Ng Weng Fai	<p>Course coordinator for Town Planning Course under the Singapore Cooperation Programme of Ministry of Foreign Affairs</p> <p>Trainer for Noise Monitoring Course</p> <p>Trainer for Water Distribution and Sanitary Plumbing Course for Housing and Development Board</p> <p>Trainer for Building and Estates Management Course for Ministry of Education</p>
Ong Chee Fatt	Expert Mentor for Ministry of Education's Innovation Programme 2005
Sia Chiaw Hui	<p>Trainer for Pavement Engineering Course for Land Transport Authority</p> <p>Conducted short course on Building Construction and Maintenance for Singapore Combat Engineers</p>
Daniel Tan Kim Soon	<p>Trainer for Certificate in Occupational Safety and Health and Building Construction Supervisors Safety Courses, and Workshop for Safety Auditors</p> <p>Trainer for Geotechnical Engineering Refresher Course for Public Utilities Board</p> <p>Trainer for Soil Identification Course for Singapore Armed Forces</p>
Tan Poh Seng	<p>Assistant Coordinator and trainer for Certificate in Occupational Safety and Health Course for Ministry of Manpower</p> <p>Assistant Coordinator and trainer for Workshop for Safety Auditors for Ministry of Manpower</p> <p>Trainer for Building Construction Safety Supervisor and Formwork Safety Supervisor Courses for Ministry of Manpower</p> <p>Conducted short courses on Building Construction and Maintenance for Singapore Combat Engineers</p>
Tan Shia Tew	<p>Coordinator, trainer and developer of short course for Renovation Contractors (three runs) for Renovation & Decoration Advisory Centre</p> <p>Developed and conducted seminar on The Undertaking of Housing and Development Board Licensed Renovation Contractor</p>
Tan Yew Meng	<p>Conducted courses on Project Management for Site Supervisors for Singapore Power</p> <p>Course coordinator for Assessment and Repair of Concrete Structures Course for Singapore Concrete Institute and Singapore Polytechnic</p>
Tang Ah Lek	<p>Coordinator and trainer for Certificate in Occupational Safety and Health Course for Ministry of Manpower</p> <p>Trainer for Property and Facilities Management Short Course (Basic & Advanced)</p> <p>Coordinator and trainer for Building Construction Safety Supervisor (English and Mandarin), Formwork Safety Supervisor (English and Mandarin) and Noise Monitoring Courses and Workshop for Safety Auditors for Ministry of Manpower</p>
Teo Kian Hun	<p>Trainer for Building Construction Safety Supervisor, Certificate in Occupational Safety and Health and Formwork Safety Supervisor (English and Mandarin) Courses for Ministry of Manpower</p> <p>Conducted courses on Project Management for Site Supervisors for Singapore Power</p> <p>Conducted courses on Site Management (Running an Effective and Smooth Site) for Land Transport Authority</p>
Eric Too	<p>Course Coordinator and trainer for Noise Monitoring Course for Ministry of Manpower</p> <p>Course Coordinator and trainer for Property and Facility Management of Industrial, Business and IT Parks course for Ascendas Land Pte Ltd</p> <p>Expert Mentor for Ministry of Education's Innovation Programmes 2004</p>

Name	Brief Description of Consultancy
SCHOOL OF DESIGN & THE ENVIRONMENT (CONT'D)	
Yeo Huang Kiat	Trainer for Noise Monitoring Course for Ministry of Manpower Coordinator for Property Maintenance and Facilities Management and Practical Applications of Land Title Strata Act courses
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING	
Arun Kumar	Co-authored paper on Network Approach for Physiological Parameters Measurement, published in the Institute of Electrical and Electronics Engineers' Instrumentation and Measurement Journal , February 2005 Consultant for Temperature and Humidity Controller for Retarder/Prover System to Metraco Refrigeration Engineering Pte Ltd Consultant for Modification Productisation of Atto-Cycler Project to Attogenix Biosystems Pte Ltd
A L Satya Prakash	Conducted tailor-made courses on Basic Military Technology Appreciation-Electro-Optic and Basic Military Technology Appreciation - Communication System for Singapore Armed Forces Conducted courses on Enhancement Module for Ministry of Defence Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Ang Teck Sing	Conducted course for Robotics Camp for Premiere Value.Com
Au Siew Hong	Co-authored and presented paper on An Initiative at Singapore Polytechnic in the Drive towards an Ability-Driven Education at the Global Conference on Excellence in Education and Training 2004
Dr Cai Zhi Qiang	Conducted course for Robotics Camp for Premiere Value.Com Presented a paper on Ringing Artefact Reduction using Adaptive Averaging Filtering at the Institute of Electrical and Electronics Engineer's International Symposium on Consumer Electronics, September 2004, Reading, United Kingdom Conducted tailor-made course on Compression Technology and SDK Training for Digital Info Technology Pte Ltd Conducted a Robot Soccer Camp for secondary school students
Chaganti D V Subrahmanyam	Conducted Basic Military Technology Appreciation Course on Weapon Systems for Singapore Armed Forces
Chan-Tan Yuek Wee	Jointly published paper on Dynamic Model and Shooting Algorithm on Simurosot, International Conference on Autonomous Robots and Agents in December 2004, Palmerston North, New Zealand Jointly conducted a training on C++ programming for Simurosot for students from Hua Yi and Marsiling Secondary Schools
Dr Cheong Tek Mun	Conducted courses on Enhancement Module for Ministry of Defence Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Steven Chew Lai Keat	Conducted tailor-made course on IT Security for Ministry of Defence Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Chua Kay Chiang	Conducted courses on Enhancement Module, IT Security and Communications Specialist (INFOSYS) for Ministry of Defence Conducted a short course on Introduction to Wireless Networking
Chung Ock Jin	Presented and authored paper on Strategic M2M Early Adoption in Asia, M2M Expo and Conference 2005, Dallas, USA Published a white paper on Industrial InfoComm and Ecosystem for Singapore Industrial Automated Association, July 2004
David Papkin	Consultant Trainer to Avantus Training Company for Microsoft Certification

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING (CONT'D)	
Dr Fazlur Rahman	Published an award winning paper on Neural Network Approach for Linearising Control of Nonlinear Process Plants in the Institute of Electrical and Electronics Engineer's Transactions on Industrial Electronics, Volume 47, Issue 2, pp. 470-477
G Ramanujam	Published a paper on Evolving a Wholesome and Enriching Learning Experience through Practical Based Independent Learning in the Journal of Teaching Practices 2005
Gangadharan Nagendra	Consultant for Height Weight Measurement System to Alexandra Hospital Published a paper on Network Approach for Physiological Parameters Measurement in the Institute of Electrical and Electronics Engineers' Transactions on Instrumentation and Measurement, Volume 54 Number 1 (ISSN 0018-9456), February 2005 pp.337-346
	Conducted a short course on Biomedical Instrumentation
Goh Say Seng	Conducted short courses on Basic Electricity and Electronics
Heng Chiang Hiong	Consultant for Temperature and Humidity Controller for Retarder/Prover System to Metraco Refrigeration Engineering Pte Ltd
Hie Wie Tiong	Temperature and Humidity Controller for Retarder/Prover System for Metraco Refrigeration Engineering Pte Ltd
	Consultant to Attogenix Biosystems Pte Ltd for the Modification and Productisation of Atto-Cycler project
	Conducted Foundation Fieldbus End User Seminar
	Conducted Profibus Workshop for Yokogawa Engineering Asia Pte Ltd
Raymond Ho	Conducted Basic Military Technology Appreciation Course on Communication Systems for Singapore Armed Forces
	Conducted tailor-made course on Computer Networks and Protocols for Stratex Networks (S) Pte Ltd
	Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Ho Soon Seng	Consultant to Tinggi Technologies Pte Ltd for Training and Usage of Equipment
	Consultant for Training and Usage of Equipment to the Institute of Bioengineering and Nanotechnology
Huang Lou Lin	Conducted tailor-made courses on RF Robot and Robot Soccer Camp for secondary school students
	Published a paper on Neural Network Based Adaptive Impedance Control of Constrained Robots in the International Journal of Robotics and Automation, Vol 19 (2004), Issue 3, pp 117-124
	Consultant for Mobile Robot Systems to Shenzhen Open Technology Ltd
Hui Wing Hong	Consultant for Microcontroller Based High-Frequency Inverter Design for Sequential Operation of Multiple Electroluminescent Lamps to Neijlock Technology Pte Ltd
	Conducted a short course on Basic C Programming on Microchip PIC 18F452 Microcontoller
Dr Jagannathan Kanniah	Co-authored and presented a paper on A ZMP Management Scheme Suitable for Trajectory Controlled Biped Robots to Achieve Dynamic Walking at the Eighth World Multiconference on Systemics, Cybernetics and Informatics (SCI 2004), July 2004, Orlando, USA
Jaichandar K S	Conducted course on Medical Imaging and Image Processing
Dr Jiang Fan	Conducted course for Robotics Camp for Premiere Value.Com
Jiang Hao	Conducted tailor-made courses on RF Robot and Robot Soccer Camp for secondary school students

Name	Brief Description of Consultancy
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING (CONT'D)	
Jolyon P Caplin	Conducted a tailor-made course on Management of MATV System for Housing and Development Board
Kwa Teck Poey	Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Kwan Wei Lek	Consultant for Training and Usage of Equipment to the Institute of Bioengineering and Nanotechnology
Lee Chee Whye	Consultant on Licensing of Electrical Installation to Cashew Park Condominium
Lee Hock Aun	Conducted tailor-made courses on RF Robot and Robot Soccer Camp for secondary school students
Lau Kia Hian	Consultant for Training and Usage of Equipment to the Institute of Bioengineering and Nanotechnology
Tracey Lee Kah Mein	Presented a paper on Semi-Supervised Support Vector Machine for Texture Segmentation at the International Conference on Image Processing, October 2004 Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence
Michael Lee Kuoh Lih	Conducted a short course on Certificate of Performance in Web Applications Programming with ASP.Net for Beginners
David Li	Conducted course for Robotics Camp for Premiere Value.Com
Lim Boon Seng	Authored and presented a paper on Enhancing Teaching Using Multimedia at the Global Conference on Excellence in Education and Training, May 2004
Lim Buey Kiang	Consultant for Power Generator Testing and Reporting Module to Cummins Power Generation (S) Pte Ltd
Lim Yuen Siong	Jointly published a paper on Design and Analysis of a Four-Wheel Omnidirectional Mobile Robot, 2nd International Conference on Autonomous Robots and Agents 2004, New Zealand
Li Hongwei	Consultant for Mobile Robot Systems to Shenzhen Open Technology Ltd Conducted a short course on Introduction to Wireless Networking - A Practical Approach
Loh Yew Chiong	Conducted short courses on Computer Networks and Protocols
Low Lee Ngo	Consultant for Training and Usage of Equipment to the Institute of Bioengineering and Nanotechnology Consultant for Training and Usage of Equipment to Tinggi Technologies Pte Ltd Co-authored a paper on Patterned PMMA Media for MEMS XY Micro-Stage in Probe Storage, 2nd International Conference on Technological Advances of Thin Films and Surface Coatings 2004, July, Singapore Published a paper on A Polymeric Microgripper with Integrated Thermal Actuators in the Journal of Micromechanics and Microengineering, Institute of Physics Publishing, Issue 7, July 2004
Lu Hongli	Conducted a short course on Medical Imaging and Image Processing
Dr Ma Zhongming	Conducted a short course on Biomedical Instrumentation Consultant for Customisable Tunes for Car Security Systems to I3
Neo Aik Khoon	Consultant for Height Weight Measurement System to Alexandra Hospital
Ng-Mok Siau Chin	Conducted a short course on Basic C Programming on Microchip PIC 18F452 Microcontroller
Patrick Mcglyn	Conducted course on Management of MATV System for Housing and Development Board
Pattabhi Raman	Conducted Basic Military Technology Appreciation Courses on Weapons Systems, Electro-Optics and Communication Systems for Republic of Singapore Air Force

STAFF CONSULTANCY AND SERVICES TO INDUSTRY

Name	Brief Description of Consultancy
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING (CONT'D)	
Pee Suat Hoon	Published a paper on Unleashing Creativity and Innovation through Project-Based Learning Using NI LabVIEW and LabVIEW PDA Module on the National Instruments website Conducted Foundation Fieldbus End User Seminar
Peter H Mowe	Conducted Basic Military Technology Appreciation Courses on Communications Systems and Electro-Optics for Republic of Singapore Air Force
Dr Rajnish Gupta	Co-authored and presented a paper on Security Constrained Well Being Evaluation of a Subtransmission System, International Conference on Electrical and Electronics Engineering September 2004, Acapulco, Mexico Presented a paper on System Planning Utilising Value Based Reliability Approach, 2004 International Conference on Power System Technology, November 2004, Singapore
Rodney Dorville	Conducted tailor-made course on Communications Specialist (INFOSYS) for Ministry of Defence Conducted tailor-made course on IT Security for Ministry of Defence
Safura Bte Anwar	Co-authored paper on An Initiative at Singapore Polytechnic in the Drive towards an Ability-Driven Education, Global Conference on Excellence in Education and Training, May 2004
Sng Hong Lian	Jointly conducted a training on C++ Programming for Simurosot for students from Hua Yi and Marsiling Secondary Schools
Suraya Bte Suppian	Consultant for Height Weight Measurement System to Alexandra Hospital
Rosa Tan-Wong Ah Hoon	Co-authored paper on An Initiative at Singapore Polytechnic in the Drive towards an Ability-Driven Education, Global Conference on Excellence in Education and Training, May 2004
Tan Hua Joo	Conducted short courses on Basic Electricity and Electronics
Tan Suat Eng	Authored and presented papers on Velocity Saturation in PMOSFET: Using Difference Inversion Layer Mobility Models and Effects on Normal Electric Field on Submicrometer PMOSFET, 10th International Symposium on Integrated Circuits, Devices and Systems, September 2004
Teo Chin Heng	Conducted Basic Military Technology Appreciation Courses on Radar/Sensors and Communication Systems for Republic of Singapore Air Force
Francis Teo	Conducted courses on Enhancement Module Programme C1 and C2 and Communications Specialist (INFOSYS) for Ministry of Defence
Christopher Teh Eng Leong	Conducted Robot Soccer Camp for secondary school students
Allan Wong Ann Ming	Conducted tailor-made courses on Certificate of Competence in Storage Technology - Microcontamination and ESD/Disk Drive Handling for International Disk Drive and Materials Association
Wong Weng Yew	Consultant for Training and Usage of Equipment to Tinggi Technologies Pte Ltd
Dr Yang Zhizong	Conducted courses on Foundation Fieldbus Training for Yokogawa Engineering Asia Pte Ltd Conducted courses on IT Security and Communications Specialist (INFOSYS) for Ministry of Defence
Dr Yedroudj Mohammed	Authored a paper on Enhanced Computer Analysis of Power Station CW Systems, Mathematical Engineering in Industry Journal, Volume 2, 2004 Conducted a short course on Lighting Installations, Power Quality and Electrical Drives
Yin Ma Thwe	Conducted courses on Computer Networks and Protocols, and Fundamentals of Data Communications and Computer Networks
Yue Pik Kong	Co-authored a paper on Robo-Erectus: Team Description 2005, Proceedings of International RoboCup Symposium, Lisbon, 2005 Consultant for Mobile Robot Systems to Shenzhen Open Technology Ltd Consultant for Design and Fabrication of R&D Humanoid Robot Platform to Zhejiang University and Northeastern University Institute of Artificial Intelligence and Robotics

Name	Brief Description of Consultancy
SCHOOL OF ELECTRICAL & ELECTRONIC ENGINEERING (CONT'D)	
Dr Zhou Changjiu	Consultant for Mobile Robot Systems to Shenzhen Open Technology Ltd Consultant for Design and Fabrication of R&D Humanoid Robot Platform to Zhejiang University and Northeastern University Institute of Artificial Intelligence and Robotics
SCHOOL OF INFO-COMMUNICATIONS TECHNOLOGY	
Ahmad Al-Mahir	Tutor for the Computer Animation module in the Advanced Diploma in Multimedia Development programme Effects Producer for a television commercial project at Lights and Shadows Pte Ltd
Anand Bhojan	M2M Consortium Leader in Mobile Enabling Technologies (Singapore Industrial Automation Association) Published a book, Mobile Applications Development using J2ME, 2nd Edition, Thomson Learning, 2004 Chief Technical Consultant/Developer of ORISP (Omron RFID Integrated Software Package), OMRON Asia Pacific Instructor for ICT Skills for Government Officials Course under Japan-Singapore Partnership Programme for the 21st Century organised jointly by Japan International Cooperation Agency and Ministry of Foreign Affairs, Singapore
James Ang	Course tutor for Systems Analysis and Design module offered by Middlesex University-SPGG MSc in Business IT programme Created e-learning applications on 0.13 Micronmeter Process Flow and others for Chartered Semiconductor Manufacturing Ltd
Jennifer Ang	Instructor for ICT Skills for Government Officials Course under Japan-Singapore Partnership Programme for the 21st Century organised jointly by Japan International Cooperation Agency and Ministry of Foreign Affairs, Singapore
Virginia Boo	Examiner, The Singapore Association of the Institute of Chartered Secretaries and Administrators
Dr Timothy Chan Wai Kuen	Consultant and R&D Project Member of School of Computing, Middlesex University Part-time lecturer at Singapore Institute of Management
Chong Chee Seng	Instructor for ICT Skills for Government Officials Course under Japan-Singapore Partnership Programme for the 21st Century organised jointly by Japan International Cooperation Agency and Ministry of Foreign Affairs, Singapore
Ho Chee Meng	Instructor for ICT Skills for Government Officials Course under Japan-Singapore Partnership Programme for the 21st Century organised jointly by Japan International Cooperation Agency and Ministry of Foreign Affairs, Singapore
