### School of Chemical & Life Sciences (cont'd)

Toh Hui Kheng  
Jeffrey Whey

- Consultant for 'Effect of Calcium Salts on Quality of Instant Noodles'.
- Trainer for Applied Chemistry – Elective for Integrated Program Students.
- Trainer for Certificate of Completion in Water Treatment course for Tick 3.
- Trainer for enrichment course on Analytical Techniques in Chemistry.
- Trainer for enrichment course on Biomedical Science.
- Trainer for enrichment course on Chemistry – A Central Science.
- Trainer for enrichment course on Chemistry – Experimental Science.
- Trainer for enrichment course on Chemistry – Learning Through Experiment.
- Trainer for enrichment course on Chemistry & Drugs.
- Trainer for enrichment course on Chemistry at Work.
- Trainer for enrichment course on Chemistry for Biologics.
- Trainer for enrichment course on Chemistry for Everyday Living (3 runs).
- Trainer for enrichment course on Display Science for Everyday Life.
- Trainer for enrichment course on Experimental and Experiential Chemistry.
- Trainer for enrichment course on Living Polymer Chemistry.
- Trainer for short course on Fundamental Protein Chemistry and Chemical.
- Thermodynamics for Ministry of Education.
- Trainer for short courses on Understanding cGMP (5 runs).
- Trainer for short course in Good Manufacturing Practice.

Wong Yin Tiong  
Woo Wee Hong

- Trainer for Certificate of Performance in Theory and Practice of Phlebotomy course (2 runs).
- Speaker for the "Chemistry Reagent Training Workshop" at SYSMEX Asia Pacific.
- Trainer for Certificate of Performance in Theory and Practice of Phlebotomy course (2 runs).

Yang Cheng Woi

Katerina Yang Yun Ee

Adrian Yeo Chao Chuang

- Trainer for Certificate of Competence in Sewage Water Treatment course (8th Run).
- Trainer for Certificate of Competence in Water Treatment course (3rd Run).
- Trainer for Certificate of Performance in Theory and Practice of Phlebotomy course (2 runs).
- Researcher in collaborative project with National University of Singapore, Department of Paediatrics.

Yin Xi Jiang (Dr)

- Co-author of the paper "SiO<sub>2</sub> (core)-TiO<sub>2</sub> (shell) structure as catalyst support for oxidation of CO", Key Engineering Materials, Vol.334-335 (2007) 1025-1028.
- Co-author of the paper "Tunable fly's-eye lens made of patterned polymer-dispersed liquid crystal", Optics Express, vol.14, No.12 (2006) 5634-5640.
- Trainer in Applied Chemistry – Elective for Integrated Program Students.
- Trainer for Certificate of Completion in Water Treatment course for Tick 3.
- Trainer for enrichment course for Chung Cheng Secondary School.
- Trainer for enrichment course for Serangoon Secondary School.
- Trainer for enrichment course on Chemistry for Everyday Living/Applications of Organic Chemistry for National Junior College.
- Trainer for short course on Electroplating.
- Presenter of a paper at the 5th Asian-Australasian Conference on Composite Materials from 27 to 30 November 2006 in Hong Kong.
- Tester for HITECH Heat Treatment Services.
